6559/53 Sub TPs – Allowance to Jeep Drivers – Excess Payment – Write off – Proposals

Ref:- From the P.E.O Tangalore Rep A 1314/53 d 22.1.54

Please see the P.E.O's letter cited. The P.E.O Tangalore recommends the write off of the excess T.A paid to Jeep drivers in the project area, prior to the issue of G.O TPs No. 2102 Pul(CP) d 7.8.53 On a previous occasion the D.F.O. Tangalore requested, that the G.O might be given retrospective effect, so that the excess payment made to the Jeep drivers could be covered by sanction. His request was then rejected. A similar request by the P.E.O. Palghat was also rejected in Govt. endorsement No. 29262 Agri (CP and M)/53-2 d 23/11/53

The reasons given by the P.E.O. for recommending write off is that the Jeep drivers are in such a poor financial position that they are not able to pay back the excess payments. The reason addduced is not convincing as the amount involved is small, and as the recovery can be effected in easy monthly instalments

The P.E.O may be informed accordingly, Subject to orders draft memo put up

It will be an invidious distinction if we go back on this case.

Sir,

Sub: Community Projects - Allowances to Jeep Drivers.

Ref: G.O.Ms.No.2102 Public (C.P.) Department dated 7-8-1953.

*****

In the G.O. cited, sanction was accorded to the payment of compensatory allowance to the jeep drivers at annas eight for each day on which they were away from headquarters for more than eight hours. Prior to the receipt of the G.O. cited, the three jeep drivers employed in South Kanara Project area were allowed an allowance of eight annas for journeys performed by them involving more than eight hours of absence from headquarters and without involving a night halt on the strength of the instructions contained in Board's Ref.No.158270/Z1/51 dated 4-12-1951, a copy of which was enclosed to this office Ref.A.1492/53 dated 19-6-1953 on which the G.O. cited was issued. The details of allowances at 8 annas paid to each of the jeep drivers prior to the receipt of the G.O. cited are furnished below:

Name.	Month.	Amount of allowance at 8 annas.
1) Charles D'Souza. Jeep Driver.	October, November and December 1952.	7-8-0.
	January and February 1953.	4-0-0.
	March 1953.	4-0-0.
2) Unni Kannan.	January and February 1953.	6-0-0.
3) M.Narayana Rao.	January 1953.	1-8-0.
	February 1953.	11-0-0.

The Accountant General has ordered the recovery of the amount of Rs. 7-8-0, Rs. 4-0-0 and Rs. 4-0-0 paid to Charles D'Souza in T2B/CP/Abk 76 dated 8-5-1953, T2B/CP/Abk 107 dated 20-7-1953 and Abk.T2B.(CP)6 dated 14-8-1953 respectively, and the sum of Rs. 11-0-0 paid to M.Narayana Rao has also been ordered to be recovered by the Accountant General in his No.Abk.T2B.(C.P.)6 dated 14-8-1953. The amount of Rs.6-0-0 paid to Unni Kannan and Rs. 1-8-0 paid to M.Narayana Rao in January 1953 have not been objected to. The jeep drivers now represent that their financial position is so poor that they are not able to pay back the amount ordered to be recovered by the Accountant General. As the amount involved is small and as the jeep drivers are poorly paid servants, I recommend that the allowance paid at annas 8 prior to the receipt of instructions contained in the G.O. cited may be ordered to be written off. Early orders may be passed and communicated to me.
